

Close-up of the Stained Glass Window Altar Piece in the Prayer Room of the U.S. Capitol

The stained glass window was presented anonymously by a studio in the Twenty-first Congressional District of California, and is the voluntary work of the craftsmen of that studio. The gift was arranged through their Representative in Congress, Edgar W. Hiestand. It is a "Thank offering to this Country" and dedicated "to those men who have in the past sought God's guidance and to those who presently determine the destiny of this Nation by the inspiration of their decisions."

In March 1955 the room was completed and opened for use.

### **Architect Of The Capital** - Evans Nicholson, Choosing Truth Ministries [www.ctmin.org](http://www.ctmin.org)

To understand who the Architect Of The Capital is we have to rely on Masonic authorities to tell us. A source of reference is found in our document [First Lodge Night](#), which provides additional detail with a link to [The Christian, Lucifer And Freemasonry](#). After viewing these documents it becomes clear who these Masonic authorities worship and the spiritual authority they have brought into North America. A spiritual authority in Canada, the USA and Mexico challenging God's Word and freedom from spiritual deception in our nations.

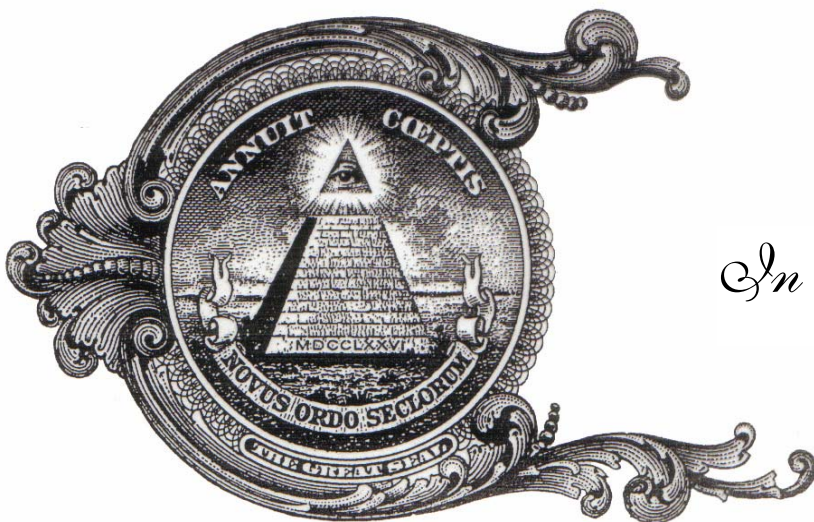

Through this spiritual deception those in positions of power replace Him with the god of Freemasonry choosing a spiritual authority with an agenda of destruction for each of us. The Latin words *Novus Ordo Seclorum* beneath the pyramid proclaims a new order of the ages. A world government controlled by Satan for a short period of time before Messiah returns. With this the Architect Of The Capital reveals his agenda consistent with the revelations of such in God's Word. President George Bush Sr. was the first US president to speak publicly about this coming New World Order during Desert Storm. He told us there were a thousand points of light working towards a New World Order. Above the pyramid in Latin, *Annuit Coeptis* saying, god has favoured our undertakings.

Placed on the US one dollar bill by president Roosevelt, a 32<sup>nd</sup> degree Mason, the All-Seeing-Eye of Horus, Egyptian god of the underworld favours the coming New World Order. On the cover of our publication [Freemasonry On Trial](#) is the graphics off the dollar bill with the words, "In God We Trust?" asking which god is referred to on this currency. God says, "...choose you this day whom you will serve..." Joshua 24:15. The choice of worshiping other gods has been painfully recorded for us when Israel would not repent from idolatry. The same spiritual authority given place in North America. God also says "...My glory I will not give to another, neither My praise to graven images." Isaiah 42:8.

With the choice Masons make we see what happens in their lives and what they bring onto their families and the churches they attend. The same pattern of destruction is seen in each of our nations filled with

immorality and growing violence being unable to curtail injustice from within. Becoming immune and apathetic to depravity around us its apparent God's authority has been greatly compromised. The worship we extend to Him is polluted by what He hates with our indifference to our spiritual heritage in Him. We seek His promises of peace and prosperity while other spiritual authority is honoured in our homes, churches and prayer rooms dedicated to the Masonic Architect Of The Capital. Israel whom He loves could not escape the judgement we are receiving in our idolatry.

If we choose God, the God of Israel, we need to recognize that an active commitment is necessary. Silence implies the consent allowing spiritual deception, the Architect, to retain his place of spiritual authority in North America. Ezekiel 3:17 – 21 is a part of God's standard for our commitment if we truly seek to honour and please Him in our lives within each of our nations.
